ST. MICHAEL'S HOLD ANNUAL MEETING

A large crowd and successful dinner started the annual meeting of St. Michael and All Angels' Church on Tuesday evening in the Dining Room of the Memorial Hall. The meeting opened with a short round of community singing, in order as the rector said, to help along the digestion. This was led by Mr. Patrick, with Mrs. J. Downie at the piano.

The rector opened the meeting proper, with a short history tracing the need of relinquishing the grants from England on the outbreak of the war, and the consequent need of becoming self-sufficient in Canada. The success of the appeal to the parishioners was unbounded, he stated. The Diocese of Calgary, of which Strathmore is a part, oversubscribed their assessment. This meant, stated Mr. Pearson, that even in wartime the church would be able to cease their program of cutting down, and start on expansion.

The year 1941 shows the financial standing of the Church in better shape than it ever has been in Strathmore. A welcome addition to the church here, he reported, was the purchase of 118 pews from Calgary. This is four more than was originally intended.

Last year, 1940, set a new high record in attendance for the previous ten year period—during 1941, even this mark was surpassed, said Mr. Pearson.

Mr. Pearson thanked very warmly his secretary treasurer, Mr. Ridley, and his envelope secretary, Mr. Wagstaffe, for their untiring efforts and for their unbounded success.

At present, said Mr. Pearson, the big problem of the church is the Sunday School. He showed the necessity of changing the date to Wednesday, and stated that this was not working out as well as might be. There were too many other conflicting items.

In closing his report, Mr. Pearson expressed much gratitude to his wardens, S. H. Crowther, and nominated as his successor, Mr. Ted Hartell.

Presenting the report of the W. A. M. S. C. Lambert showed the amount of work that had been done by the ladies during the year, and the amount of money that had been raised. The group is left after the year's operations, in good financial standing.

The report of the Altar Guild, presented by Mrs. Patrick showed increased membership and activity, but, said Mrs. Patrick, "At present, the Guild has no funds, whatsoever."

The report of the secretary treasurer and his presentation of the budget for the ensuing year, showed that in spite of starting the year with a number of small accounts in arrears, the church was now not only free of debt, but it has also a cash balance. The budget for this year, while embodying some increased items, is still materially lower than for last year, and Mr. Ridley stated that he hoped, with the added support of a number of members of the parish, to achieve this year, financial independence apart altogether from teas, bridges and so on. "No more cakes, no more pies, no more salads...."

The election of officers resulted in the following slate: People's Warden, G. H. Patrick; Vestry, Messrs. C. Harvey, C. Lambert, A. Hay, S. H. Crowther, E. F. Thurston, R. J. Newall, R. Gladden, L. Roberts, J. Wagstaffe, and S. Slater.

Delegates to Synod: G. H. Patrick

and S. Slater, Jr., and substitutes: E. N. Ridley and J. Wagstaffe. Auditor: J. Downie.

The problems of the Sunday School were left in abeyance, with Mr. Pearson asking for volunteers for work.

Mr. Pearson then presented the Lay Reader's License to Mr. Patrick, for the ensuing year, and thanked him most heartily for his work and help during the past year.

Votes of thanks were tendered the (Continued on Page Seven)

ANNUAL DAIRY CONVENTION

The twenty-third annual meeting of the Alberta Dairymen's Association will be held at the Palliser Hotel, Calgary, February 10th to 12th, 1942.

The Association has been fortunate in securing as a feature speaker, Professor J. C. Knott, of the Department of Dairy Husbandry, Washington State College, Pullman, Washington. Professor Knott is a recognized authority on production problems and his addresses should prove of special interest to producers wishing to aid Canada's war effort by increasing production. On Tuesday evening, February 11th, Professor Knott will address a general session on "Stepping up Dairy Production," and on Wednesday afternoon he will speak to a combined session of Cattle Breeders and Producers on "Breeding Better Dairy Cattle."

Three speakers from Eastern Canada will also address this year's Convention: these are John Freeman, member of the Dairy Product's Board, Montreal; W. C. Cameron, Associate Chief, Dairy Products Grading and Inspection Service, Department of Agriculture, Ottawa, and Dr. E. G. Hood, Research Division, Science Service, Department of Agriculture, Ottawa.

Alberta speakers will include—the Hon. D. B. MacMillan, Minister of Agriculture; Dr. R. D. Sinclair, Acting Dean, Agricultural College, University of Alberta; H. L. Patterson, Economics Division Marketing Service, Federal Department of Agriculture, Edmonton; Dr. T. Floyd Jones, Animal Pathologist, Department of Agriculture, Edmonton and many others.

All phases of dairying will be covered at this important meeting and the committee is looking forward to a good attendance.

PRIZES FOR PERFECT ATTENDANCE

Prizes of books for 100 per cent attendance at Sunday School were given at the evening service in the United Church Sunday last, to 22 pupils.

Rev. S. R. Hunt was assisted by Supt. D. McMurray and Miss Frances Gray.

Following is the list of pupils.

Chris Hansen, Paul Hansen, Douglas MacKenzie, Kenneth MacKenzie, Bobbie Campbell, Virginia Bower, Jeannine Gannon, Verna Mae Gannon, Dorothy Oldham, Ruth Oldham, Lois White, Jean McMurray, Olive Potter, Violet Lugg, Grace Trench, Florence Potter, Margaret Paterson, Gordon Keeling, Ollen Bower, Lorna Lennon, Albert Lugg, Arthur Lugg.

SKATING SCHEDULE (Strathmore Rink)

SEASON 1941-1942—

MONDAY—
4.00 to 5.30 p.m.—Fleas and Midget Hockey Practice.

7.00 to 10.00 p.m.—General Skating.

TUESDAY—
7.00 to 8.00 p.m.—Intermediate Hockey Practice, Intermediate Hockey Matches will be played on either Tuesday or Thursday nights, if the same isto be played Thursday, skating will be held this evening from 8.00 to 10.00 p.m.

WEDNESDAY—
Junior Hockey Club Games.

THURSDAY—
7.00 to 8.00 p.m.—Intermediate Hockey Practice, Intermediate Hockey Matches will be played on either Tuesday or Thursday nights, if a game has been played on Tuesday, skating will be held this evening from 8.00 to 10.00 p.m.

FRIDAY—
4.00 to 5.30 p.m.—Skating, School Children.

7.00 to 8.00 p.m.—Junior Hockey Practice.

8.00 to 10.00 p.m.—General Skating.

SATURDAY—
9.00 to 11.00 a.m.—Fleas and Midget Hockey Practice.

2.00 to 4.00 p.m.—General Skating.

2.00 to 4.00 p.m.—General Skating.

OBITUARIES

THE DEATH OF A. D. ASHLEY
The death of Adelbert D. Ashley occurred suddenly at his home Wednesday, January 21.

His wife predeceased him about two years ago. Mr. and Mrs. Ashley have resided in the district for some 35 years and were highly respected citizens.

He is survived by a son William, and a daughter Mrs. L. Beazley of Spokane.

Funeral arrangements are pending word from the family, with Chase & Co. funeral home in charge.

Henry Beacher Smith Dies At the Coast

Vancouver—Funeral services were held Saturday in Vancouver for Henry Beacher Smith, who formerly was in charge of the Canadian Pacific Railway Company's experimental farm at Strathmore. Smith was a graduate of the Ontario Agricultural College, Guelph, Ontario, and at one time was editor of the agricultural publication, North-West Farmer. He had lived in British Columbia for the past 12 years. During Mr. Smith's term in Strathmore the Farm was under Dr. Rutherford's Department.

Mr. Smith had many friends in the town and district who will regret to learn of his death.

SHOWER FOR BRIDE

Complimenting Mrs. Art Farr (nee Wilda Frederick) Miss Grace Riadon entertained a group of the bride's young friends at a miscellaneous shower Tuesday evening. Interesting games and contests filled the evening after which a delicious lunch was served by the hostess.

Following lunch many lovely gifts were presented to the bride with the best wishes of her girl friends. Wilda thanked all for their kindness. There were seventeen girls present.

ANNUAL MEETING OF UNITED CHURCH

There was a representative attendance at the congregational Super and Annual Meeting of the above church Monday evening.

After an appetizing supper served by the Ladies Aid, Rev. Hunt called the meeting to order to proceed with the various reports and items of business.

Reports of organizations were read and adopted as follows—Lois White for Explorers; Violet Lugg for Junior Choir; Senior choir, by Mrs. Nicholl.

Mr. Miner moved and Mrs. Gray seconded a hearty vote of appreciation to the choir for their faithful and able services. Special mention was made of the services of the leader and pianist.

Young People's Union, read by Frances Jones.

Minutes of last annual meeting read by Dr. Giffen, endorsed by Messrs McMurray and Garrett.

Mrs. Jas. McBean gave the report of Namaka Ladies Aid, with Mrs. H. E. Thompson seconding, indicating an exceeded budget. Treasurer's report read by Mrs. Loy Wheeler, seconded by Mrs. Watts. Warm words of appreciation of the financial assistance given on furnace replacement were expressed by Mr. Hunt and Mr. McMurray.

W. M. S. report given by Mrs. White seconded by Mrs. Hunt showed gains over the previous year.

Strathmore Ladies Aid report, prepared by Mrs. Jones was read by Mrs. Nicholl and seconded by Mrs. Lounsbury, revealed the strong and steady strengthening of the General Fund and a great variety of consistent good works. Rev. Hunt expressed the thanks of himself and family for care of the manse taken by the Ladies.

"Observer" subscriptions were given by D. A. Perry. The commissions on subscriptions had made possible the purchase of the Communion table.

Treasurer's Report of W. M. S. given by Mrs. A. P. Gray.

Rev. S. R. Hunt in his report stressed the valuable influence derived from attendance at Fairweather Camp for the young.

He also spoke of his pleasure in ministering to this field, and the kindness he and his family had received on all sides.

A number of new members have been added to the congregation, and a general spirit of co-operation was manifest, which co-operation Mr. Hunt added would be our confidence through the stress of conditions for 1942.

Official Board report by Dr. Giffen spoke of the plan of War Saving Certificates.

COMING EVENTS

Dance Friday, January 30th Night-Ingle Hall. Mrs. Whittaker's orchestra. Gents 75c. Ladies 25c. Supper free.

The first class in Home Nursing under auspices of Strathmore Red Cross will be held in the Town Hall, Monday, January 26th at 8 p.m. sharp.

Burns Tea in Sample Room of the King Edward Hotel, Saturday, January 24th, given by Ladies Aid of the United Church.

THE OUT-SIDE

University of B. C. Wins Debating Cup

Vancouver—The University of B. C. Friday won the McToun Cup, emblematic of the debating championship of western universities.

In winning for the second time in 15 years, U. B. C. won unanimous decisions of judges in two-man debates against the University of Manitoba and University of Alberta.

University of Saskatchewan placed second with six points, defeating the University of Manitoba's home team 3-0 for four points and adding points in a competition with the University of Alberta. The split gave the Albertans two points, with the University of Manitoba scoreless.

Each home team debated the affirmative and the travelling teams the negative. Subject of the debate was "That Canada do adopt a policy of extensive immigration after the war."

Attorney-General Gordon Conant of Ontario is urging police to prosecute more vigorously all the thieves and will ask court attorneys to press for jail sentences on those convicted.

Jack Miner, famed Canadian naturalist, is recuperating nicely from a major operation at Henry Ford hospital in Detroit. The first person to visit Miner, apart from his three sons, was Henry Ford.

Horses Supply Sufficient

Alberta has a horse population of 656,000, which will be sufficient to meet the demands of agriculture even after export requirements are met. This is the opinion of Dr. R. D. Sinclair of the department of agriculture, University of Alberta. Each year approximately 25,000 horses move from the prairie provinces to Eastern Canada.

The ban on the sale of rubber tires and prospective reduced farm implement manufacturing is likely to curtail the trend of farm mechanization and increase the use of the horse for farm power. There have been some fears expressed that there were not sufficient horses in the province to supply the demand in case farmers turn from power farming.

Dr. F. Cyril James, principal and vice-chancellor of McGill University, will go to Britain shortly to consult United Kingdom authorities on post-war reconstruction. Dr. James is chairman of the seven-man Committee on Reconstruction which acts as advisory committee to the federal cabinet.

Alberta's Population

Shows Increase—In the Dominion census reports issued last Saturday, the population of Alberta is given as 772,782. The increase is 56,793 since 1931.

You may have heard this one, but it will bear repeating. Germany has a conundrum which goes like this: "Hitler, Goering and Goebbels were in an airplane. It crashed. Who was saved?" Of course, the answer is: "The German people."

The Archbishop of Canterbury tenders his resignation after holding the high office since 1928. The Archbishop who is 77 is retiring to make way for a younger man.

THE "OTTAWA SPOTLIGHT"

(Weekly Review of National Affairs)
By M. McDOUGALL

Ottawa—On the eve of the opening of the new session of parliament there is naturally much rumor and surmise on the Government's measure for a fuller use of the man and woman power of the nation. The scope of this measure which the government has been carefully considering for sometime is a well guarded secret. More women will be trained and brought into industry, particularly those branches of war industry for which they have shown special adaptability, but that is of course only one phase of the question. What has been sought is a comprehensive plan of marshalling Canada's human and material power in this deadly struggle for national life and freedom, of giving everyone the opportunity of serving in tasks for which he is best suited and of securing the maximum united national effort. The announcement is expected when the session opens. It will undoubtedly be much the most important measure to be discussed by Parliament, and in the debate, members will bring out all the plans and points of dispute on this vital topic that have appeared in the press.

The Air Minister C. G. Power has recently issued a warning that while up to the present there has been no trouble about getting air recruits, there is a definite possibility that there may be some difficulty in the future about enlisting men in sufficient numbers to keep the air schools in full swing. The air force will need every physically fit man between 18 and 25. It may be that the age limit will have to be raised to 30 or 32, although men of the higher ages will not be suitable for air fighters but will be used on reconnaissance or bombing planes. The air force is starting "preservice" training for young men. The air cadet league is part of this plan, but the program

will be wider. There is at the present time a "cease training school" at Trenton which trains for other posts young men who have been disqualified for certain branches of the air service. The commonwealth joint air training plan is a great reservoir of trained men for the planes turned out in ever increasing quantity by the factories of the English speaking nations, and the reservoir must be kept full head.

There are now 28,000 men in the Canadian navy and between 300 and 400 naval ships are in commission. During the open season between April and November two naval vessels are turned out on an average each week by Canadian shipyards. This was true in 1941 and the same number will be built in 1942. Ever increasing vigilance is required of the officers and crew of ships of the Canadian Navy as enemy submarines now operate in coastal waters. The convoy work, however, goes steadily forward. Under Canadian escort over 50 million tons of supplies have been transported to Britain, and whatever the hazard, the life line to Britain will be kept open.

An idea of the extent of this traffic across the Atlantic is shown in figures of Canada's export trade for 1941, which total \$1,621,000,000, an increase of nearly 40 per cent over 1940. Canadian supplies are being shipped to all allied free nations, and trucks and other mechanized equipment from Canadian factories are being used in the plains of Russia and the Libyan desert. The value of the trucks and universal carriers shipped to allied countries last year amounted to \$145,000,000. With the implements of war also went food supplies. Wheat exports in 1941 amounted to 196,600,000 bushels.

The Provincial governments and legislatures will pass on draft agreements in connection with income and corporation taxes which have been sent out by finance minister Heley.

The plan which has been long discussed is that the provinces will withdraw from the income and corporation tax fields for the duration of the war and for one year after its close. In compensation for the loss of this revenue the Dominion government will pay Prince Edward Island \$701,943, Nova Scotia \$2,909,430, New Brunswick \$3,650,967, Quebec \$20,704,737, Ontario \$28,961,488, Manitoba \$5,534,740, Saskatchewan \$5,820,471, Alberta \$4,080,218 and British Columbia \$12,048,367. The total is just about \$84,500,000. In the case of some provinces the compensation was based on the amount of the interest on their funded debt, while with others it was based on the actual amount raised by the taxes involved in the last fiscal year. The three maritime provinces and Manitoba and Saskatchewan were also granted subsidies to cover fiscal needs.

The Dominion government has also guaranteed the gasoline tax revenues of the Province and this compensation it is believed may reach a considerable sum in view of restriction on tires, gas consumption and other measures of war economy.

With the war drawing closer to our shores, interest has greatly increased both in air raid precautions and in the handling of enemy aliens in this country. One of the salient points of the general policy announced in Ottawa is that enemy aliens will be removed from protected areas on the west coast. Just treatment is promised to all persons of enemy origin, but the R.C.M.P. are keeping a watchful eye on them.

George Hodge and A. R. Mosher. The three central figures make up the board's executive committee. STANDING, from LEFT to RIGHT, are R. H. Nelson, secretary; H. Taylor, W. Dunn, J. A. Bell, J. M. Stovel and A. Deschamps. Not shown in this photo is Gerard Picard.

FAIR WARNING

burned-out building in London after a "Anyone found damaging these premises will be prosecuted."

WARTIME WAGE CONTROL

Instructions to Canadian Employers and Employees concerning the Wartime Wages and Cost of Living Bonus Order, P.C. 8253.

THIS Order of the Dominion Government— which under the War Measures Act stabilizes wage rates and requires employers to pay a cost of living bonus — provided for the establishment of National and Regional War Labour Boards to administer the Government's policy.

National Employers

Communications from employers and employees in the following employments should be addressed to the Secretary, National War Labour Board, Ottawa:

- (1) the operation of lines of steam or other ships, railways, canals or telegraphs, including all services ancillary thereto, connecting any province with any other or others of the provinces or extending beyond the limits of the province;
- (2) the operation of any system of air, bus or truck transportation connecting any province with any other or others of the provinces or extending beyond the limits of the province;
- (3) the operation of any electrical power or transmission works connecting any province with any other or others of the provinces or extending beyond the limits of any province, or serving two or more provinces;
- (4) mining;
- (5) all undertakings located in the Yukon or Northwest Territories.

Regional Employers

Employers and employees in employments other than those above designated should address their communications to the Regional War Labour Board in care of their respective provincial governments.

The Order provides that no increase or decrease in a basic scale of wage rates may be made by any employer. Violations of this Order are subject to penalties.

Extracts from the Order and the Board's Interpretative Rulings are given in the National War Labour Board's Bulletin No. 1, which may be obtained on application to any Regional War Labour Board.

PRICE CEILING LEGISLATION

● BRUCE M. PEARCE ●

One ends a sojourn with the War-time Prices and Trade Board at Ottawa with a sense of having taken part in a great adventure; certainly with a sense of having watched an experiment on a stupendous scale, of having witnessed the breaking of virgin ground in an attempt to control a force — inflation — that has hitherto successfully defied the genius of every nation that has attempted to control it.

There is no illusion among those who are setting and administering the policy of the Board as to the nature of their undertaking. They know that inflation has developed in every country that ever fought a major war; they also know how ruinous its results have been and they have set their teeth and toll at their desks from early morning until late at night; determined and confident. It is a quiet confidence, tinged with patience and good humour, and spiced by what the Chairman, Donald Gordon, calls "spontaneous ingenuity." It permeates the entire Birks Building in which the Board has its head offices and extends through the Administrators' offices and regional offices throughout Canada, for it is one of Donald Gordon's outstanding qualities that he can inspire others with his own feelings and aspirations and lead them along with him in whatever must be undertaken. No defeatism, no faltering of faith in the ultimate outcome is found. The faith is simple and inspiring. As Gordon himself has said—"I can give you 50 reasons why this policy will not work. But, outweighing all these, there is one imperative and compelling reason why it must and will be made to work. The reason is necessity — national necessity, urgent, dire, undeniable—for the survival of this country and your homes and your families."

This confidence is strengthened by a knowledge of the Board's organization. The Board proper includes representatives of Agriculture, Finance, Labour, Munitions & Supply, National Revenue and Trade & Commerce.

Representatives of Business And Industry—

However in the application of the Board's policy it is representatives of business and industry who act; men who know the problems of the business or industry affected. For example, Hon. Gordon Taggart, Minister of Agriculture for Alberta, heads up the foods division; E. G. Burton, a well known retail executive, is Retail Administrator; a baker heads up the bakeries section of the food division; textile men apply the price ceiling to the textile industry; shoe men take care of boot and shoe problems, etc. Practically all these Administrators and Coordinators are serving voluntarily and thus business enforces the price ceiling upon itself. As Donald Gordon has said, it is a great undertaking in self regulation by business. In my opinion it is the greatest undertaking of this kind that has as yet been attempted.

SUBJECT ON COLLEGE OF EDUCATION

Monday, January 26th—
2—To We Need Child-Centered Schools? Dr K. F. Argue.

VEERING VERTICALLY

A business man walked into
A barber shop last week,
Seated himself in the chair,
And said, "Cut the whole
Thing short."
"What do you mean?"
Asked the barber.
"Hair, whiskers and chatter."
One of the newest and fastest
Growing societies in the world
Is probably one of the strangest,
Also.
It is a "penny-ante
Club formed in South America
By a group of young British
Who "blow through" with a
Penny piece for every
Axis plane shot down by Britain
Each month.
It is called the
Fellowship of the Bellows.
Has a procedure much as daft
As the name,
But a very serious purpose.
In Buenos Aires and
Montevideo alone about
\$40,000 is "blown in" each month
Every plane paid for by this
Bears insignia of a little
Hand bellows in a circle.
Not a cent dribbles out for
Expenses of any kind.
Instead of a president, the
Club has a High Wind.
The secretary is a Whirlwind.
No treasurer, of course, but a
Receiver of Windfalls, and the
Assistant treasurer, the Keeper
Of the Windbag.
Feminine members are shown
As a Windlass Degrees in
Club depend entirely on the
Activities of the RAF.
Beginners are simple Whiffs.
This is rather a
Low form of life
But much higher than a Snuff,
Or a nonmember.
After 1000 planes have been shot
Down,
The Whiff automatically becomes
A Puff.
From here he goes to Gust
From Gust to Hurricane.
And finally receives the
Order of the Bellows
When 10,000 Axis planes are
Down, and paid for.

ANNUAL MEETINGS

THE Annual Meetings of all organizations are in order during these early weeks of January. Next week the annual meeting of the School Board will be held Thursday and on Friday at 8 p.m. the annual meeting of the Town.

Taxpayers and everyone interested in the progress of School and Town should make a point of being present. These men are carrying quite heavy responsibilities and they deserve your interested attendance.

Break the apathy of previous years and go to these meetings.

ERROR CLEARED

WE are glad to publish the skating Schedule which appears in this issue. Some of our townspeople were under the impression that unfair discrimination was being dealt out to non-hockey players, in the hours as arranged.

This schedule clears up this question very satisfactorily, for which we among others tender our thanks and apologies.

Finance Minister J. L. Halsey is asking for \$600,000,000 from the February Loan. Canada is pledged for an all-out war.

Hitler is on the downward slope of the hill. To put this Loan over the top will add its quota to his final and complete overthrow.

Subscribe for the February Victory Loan.

TRIBUTES PAID
CAROLE LOMBARD

Washington—The Senate halted its business today to hear a brief tribute paid by Senator Raymond Willis (Rep. Ind.) to Carole Lombard, movie actress, killed in a plane crash last week. Willis praised Miss Lombard as "a great actress and a loyal citizen."

Condolence from President—
Los Angeles—A telegram of condolence from President Roosevelt arrived today at the ranch home of Screen Actor Clark Gable, whose actress wife, Carole Lombard, was one of 22 persons killed Friday last in the crash

Pot Pourri

HIGH FLIGHT

Oh! I have slipped the surly bonds of earth

And danced the skies on laughter silvered wings;

Sunward I've climbed, and joined the tumbling mirth

Of Sun-split clouds—and done a hundred things

You have not dreamed of—wheeled and scared and swung

High in the sunlit silence. Hov'ring there

I've chased the shouting wind along, and flung

My eager craft through footless halls of air.

Up, up the long, delirious, burning blue

I've topped the wind-swept heights with easy grace

Where never lark, nor even eagle flew—

And, while with silent lifting mind I've trod

The high, untrampled sanctity of space,

Put out my hand and touched the face of God.

of an airliner near Las Vegas, Nev. "Mrs Roosevelt and I are deeply distressed, Carole was our friend, our guest in happier days. Deepest sympathy."

THIS WEEK'S STANDARD

Pilot Officer John Gillespie Magee, Jr., an American citizen born of missionary parents in Shanghai, and lived his first nine years there, and educated at Britain's famed Rugby School, was killed on active service in Britain last December 11th. He was 19 years old and had the cause of freedom in his heart.

The sonnet was composed last September as the exultant freedom of soaring 30,000 feet over the earth made a word-pattern in his mind. These words were scribbled on the back of a letter after he had returned to earth.

Pilot Officer Magee sent the sonnet, scribbled on the back of the letter to his parents, Rev. and Mrs. John G. Magee who now live in Washington.

After Rugby he came to the United States for the first time in the summer of 1935 and there won a scholarship which would send him to Yale.

He enlisted in Montreal early in October and, on completion of his training at No. 2 Service Flying Training School at Uplands, near Ottawa, he was commissioned from the ranks in June, 1941, and proceeded overseas shortly afterwards.

All Business Firms
Must Have License

Drastic changes have been made in the licensing requirements of the War-time Prices and Trade Board, according to an announcement made in Ottawa.

In an effort to simplify the work of the Board all business firms or persons engaged in business for themselves and who have not already done so must register with the Board before March 31. The only exemptions are operators of private boarding houses, farmers, gardeners, fishermen and livestock and poultry dealers providing they do not buy goods for resale.

In the past, a number of businesses were not required to hold a license,

BREWING INDUSTRY OF ALBERTA

only those dealing in dry goods, groceries and clothing having registered with the Board. Now all business houses will come under the ruling.

Each licensee receives a number which he continues to hold as long as wartime price control lasts, unless it is cancelled or suspended for violation of board orders. Licensees are no longer required to record their license numbers on sales slips, but must produce their license identification if re-

quested by an official of the Board.

There is no charge for the license. Persons or firms who have registered under previous regulations need not apply anew. Employees do not require licenses. All licensees must notify the Board in writing within ten days of any change of name, address, ownership or character of business.

The regional licensing office for Alberta is at 225 Tegler Building, Edmonton, where inquiries may be made.

WORLD'S WEEK

BY HAROLD L. WEIR

Associate Editor and Daily Columnist of the Edmonton Bulletin

WORLD'S WEEK ●●●

Japan's blitz has already given her possession of some of the world's most important sources of tin and rubber and fairly important deposits of key minerals. She will have to go much farther and seize Java and Sumatra before she can clinch her hold on the greater part of the rubber territory of the Malay Archipelago and before she can lay hands on any important oil territory.

Thus, if Japan can be stopped in her tracks and prevented from penetrating southward, she will still lack the biggest prizes for which she has risked her national existence.

An analysis of the raw material resources of the Malaya Archipelago, coupled with the latest military reports, produces the following picture of Japan's position today.

Oil—The whole Archipelago produced 8,300,000 tons in 1938 and of this amount only 900,000 tons came from Sarawak and Brunei, which are now in Japanese hands. Java and Sumatra are the principal producers.

Tin—The Archipelago produces 55 per cent of the world's output and of this amount the most comes from the parts of the Malay states which have already been captured. Malaya produced 85,384 tons to the Netherlands East Indies in 1940. Unfortunately, Dutch production is largely from the islands of Bangka, Billiton and Simepe which lie off Sumatra's east coast and are exposed to attack.

Bauxite—Most deposits are in Johore, the southernmost Malayan state which remains in British hands and in Dutch territory.

Iron ore—Most deposits so far developed are in the Malay Peninsula which exported 1,616,000 tons in 1938. Two-thirds came from states already captured by the Japanese. Trengganu, which produced 950,000 tons and Kelantan, which contributed 160,000, Johore is the other important iron ore centre.

Wolfram—Kedah and Trengganu, now in Japanese hands, contain what is described as "important deposits."

The Japanese may also find deposits of manganese ore in Kelantan and Trengganu and some scheelite in Perak and Selangor. Wolframite and nickel ore are found in Dutch islands.

Rubber—The Malaya Archipelago provided 1,130,000 tons, or 81 per cent of the world's shipments last year and of this amount just about half came from the Malay Peninsula. The rubber states are Perak, Selangor and Kedah which the Japanese have invaded, and Johore and Negri Sembilan which are still in British hands.

If the Netherlands Indies were lost the picture would become serious to a point of being critical. The allies would find themselves largely dependent upon their own stocks of rubber, tin and in addition, quinine, of which the Indies are virtually the only source. These facts would seem to indicate a stand on the present allied lines and a superhuman effort to prevent further Japanese progress anywhere.

The Russians resent the tendency of some British and American political

ians to ignore the Russian position in the world picture as though the world's destiny were solely an Anglo-American problem.

It is apparent that the Russians intend to have a great deal to say when the reckoning day comes.

British Foreign Secretary Anthony Eden got an earful on the subject of Russia's post-war views when he visited Moscow.

Whether Russian, British and American attitudes can eventually be synchronized depends on how London and Washington react to the basic principles enunciated by Stalin and his foreign commissar, Vyacheslav M. Molotov.

While the recent Russian successes have strengthened the Soviet government's position, encouraged nationalist feeling among the people and enabled the government to maintain a strongly independent attitude in international relations, most Russians realize that there is a long, hard road ahead and that fullest help and co-operation of Britain and America is necessary to achieve the final downfall of Hitlerism.

Russian appreciation of that help will be measurable by the extent of British and American military operations in western Europe, America and Asia and by the extent of material assistance to the Soviet Union.

There seems to be no doubt about Russia's determination to go on with this war until Hitlerism is crushed. It is especially pleasing to the Russians to see the Americans sacrificing their easy way of life for the hard regime of self-denial so necessary to successful total war.

This to them is a sure sign that America means business.

The Standard invites its readers to listen to The Saturday Night Review which is broadcast by Harold L. Weir every Saturday night at 8.15 over CFRN.

ANNUAL MEETING OF UNITED CHURCH

(Continued from Page One)

difficulties to retire the debt of United Church of Canada's Missionary and Maintenance Fund. This had been discussed and announced but owing to many other appeals both local and Dominion wide had been postponed.

A Church Improvement committee had functioned ably under the chairmanship of Mr. McMurray, providing improvements to the choir platform, a communion table, an efficient furnace and cupboards and screens for Sunday School and the restored gothic window.

It was recommended that this committee carry on for '42. A Resolution of appreciation was tendered Messrs McMurray, Nelson, Hirtle, Black, Oldham, F. Jones, W. Anderson, Gerry Robison and P. De Kort, for their generous assistance in renovating the church, to G. Palardy for many favors and by standing vote a letter of appreciation to Mrs. Giffen, Sr. was approved and ordered forwarded.

A general acknowledgment of appreciation was passed to Rev. and Mrs. Hunt for their untiring interest in the welfare of the church.

M and M report given by Mrs. A. P. Gray indicated the higher giving and splendid interest of the previous year repeated.

Sunday School Report by Miss Frances Gray.

NAMAKA

By M. W.

Report of Namaka Branch Canadian

Red Cross 1941—

During the past year eleven regular meetings were held with an average attendance of fourteen members. Also four executive meetings to prepare for various functions to raise money.

These functions were as follows. In April providing lunch at Mrs. H. B. Brown's Sale. In June a Bazaar and tea at the home of Mr and Mrs H. E. Thomson. In November a fowl supper with bingo, a bazaar and candy tables were arranged with satisfactory results.

During the summer months it was decided to devote extra time to evacuee work. Four quilts were made and ten girls coats procured.

I have pleasure in noting that we have been able to respond to every appeal during the past year. These were for mobile kitchens, jam project food relief, special food for bomb victims in hospital, blankets and Russian relief. We also contributed five dollars to the Bible Society Service testament fund.

The supplies sent in were 362 articles against 250 the previous year. The knitted articles were doubled from 1940.

It is with gratitude and sincere thankfulness that we acknowledge the following donations and special services. To the Mennonite community a donation of \$8.00. To Mrs. Brown for the privilege of providing the lunch at her sale. To Mr and Mrs H. Thomson for the use of their home for bazaar. To Bow Valley School Division for material for quilts, which also applies to individual members who supplied material. To Mrs. H. E. Johnson for the donation of a quilt. To the hall committee for the use of the hall for quilting. To the Minnonties who contributed chickens for the fowl supper. To Mrs. Peterson who donated the rent of the hall for the supper. To Mrs. Biggar for the tablecloth which added \$27 to our funds. To a gentleman who donated a tea service for a raffie. To Bow Valley municipal council who gave us a grant of \$10. To the school children of Miss Schofield's room for knitted blocks to make afghan for Evacuees. In conclusion I would like to thank personally each and every member who by close co-operation and untiring efforts contributed to the satisfactory results of the year. A. Colpoys, President.

The next Red Cross meeting will be held at the home of Mrs. M. Peterson on January 29th.

The question of Namaka meeting with Strathmore was brought up and Mr. Thompson of Namaka reported favorably with the proviso that about 4 or more special Namaka services be held during the year.

Report of Stewards by G. B. Anderson, expressed appreciation of the generous support of the congregation which resulted in providing \$100 for extra needed purposes, not covered by the budget at the beginning of the year.

Dr. Giffen and Miss G. Hughes were re-elected to the Session to serve for four years as elders, with Messrs H. Miner, M. B. Garrett, Wm. Layercraft, H. E. Thompson, Namaka, H. McKenzle and D. McMurray.

Re-elected to the Board of Stewards D. A. Perry, G. B. Anderson, Fred Holmes, H. Nelson, L. F. Wheeler, Dr. Giffen, President of Ladies Aid, President of Chadwick W. W. and newly elected members are Tommy Taylor and Walter E. Mercer.

The meeting closed with the benediction.

overseas duties with the R. A. A. F.
Mrs Milliken is now visiting her
mother and friends in the U. S.
Strathmore friends sympathize with
the sorrowing relatives and hope bet-
ter word may yet be received.

THE WEEK IN EDMONTON

(BY DAN E. CAMPBELL)
(Director of Publicity)

ALBERTA SESSION
OPENS JAN. 29

Edmonton—Motor license refunds
to Albertans who turned in their
plates before January 10 will total
\$26,000. About 6,500 applications for
such refunds were received. Average
payment, based on 20 per cent of the
license fee, is \$400. More than 8,000
applications last year resulted in re-
funds totalling \$46,000.

Car owners are once again remind-
ed that it will be impossible to ob-
tain gasoline without ration books af-
ter April 1, and that ration books
can only be obtained by presenting
the owner's license. Early application
for license will thus ensure the owner
of gasoline supplies from that start
of rationing.

Alberta Legislature Meets—
Second session of the ninth Alberta
legislature will open Thursday, Jan-
uary 29. Gordon Taylor, M.L.A. for
Drumheller, will move the address in
reply to the Throne Speech, and the
second will be Gordon Lee, member
for Athabasca. Both members are
newcomers to the House, having been
first elected at the 1940 election. Mr
Taylor is a teacher and Mr Lee a far-
mer. Hon. J. C. Bowen, Lieutenant-
Governor, will formally open the ses-
sion, which is not expected to carry
a large legislative program.

The province will not call for cer-
tain income and corporation tax re-
turns this year, in view of the ex-
pected transfer of certain tax rights
to Ottawa for the duration of the war.

Possible Tax Transfers—
Should the tax transfer be approv-
ed, the following returns will not be
required by the Alberta government;
1—Return of income tax required
from trustees, executors, adminis-
trators, assignees, receivers or persons
acting in a judicial capacity. Forms
3 and 3A.
2—Returns by employers, Forms 4
and 4A.
3—Return of dividend of corpora-
tions, Forms 5 and 5A.
4—Return of interest on bonds,
notes, mortgages, loans, etc., and
gross royalties, net royalties, rents,
annuities and other fixed and deter-
mined amounts, Forms 18 and 18A.
5—Returns of income by individ-
uals and corporations, with the ex-
ception of corporations whose fiscal
years end during the calendar year
1941, in which case the corporation
will file a return of income tax for
the full fiscal year and pay tax in
proportion that the number of days
of such fiscal period in the calendar
year 1940 bears to the total number

of days of such fiscal period.

Turner Valley Gas—
Following recommendation that a
new production plan for Turner Val-
ley be adopted, J. J. Frawley, K. C.,
said the plan seemed basically sound.
Submitted by Dr Granger Brown af-
ter extensive work, the plan is attrac-
ting much attention in oil circles. "I
cannot say definitely that it will be
adopted," said Mr Frawley. "We are
hearing representations from differ-
ent operators concerning the effect of
the plan on their wells. I for one,
want to see Turner Valley conserved
and Dr Brown's plan seems basically
sound. But that does not mean his
plan should be adopted *hobus totus*."

Dr Brown's plan is based on the
right of all operators to a fair share
of oil and gas; on the necessity of
conserving gas since it is the agent
which sends oil to the surface; and of
setting certain gas-oil ration allow-
ances to ensure fair dealing to all,
having regard to the type of well op-
erated.

Now Alfalfa—
Repeated emphasis on the import-
ance of Alfalfa for hogs and poultry,
for growing cattle, for milk cows and
as a soil builder, suggests in no un-
certain terms that farmers through-
out the province must give more at-
tention to this crop in their cropping
programme.

Not only does Alfalfa provide ex-
cellent feed for all classes of farm
live stock, but it is one of our best
soil builders and an excellent crop
for the control of certain weeds.

Now is the time to make plans to
seed a small field to alfalfa this year.

Re; All American Poultry Show,
—Grand Forks, N. D.—
Word has been received by C. W.
Traves, Poultry Commissioner, that
Alberta turkeys exhibited at the All
American Poultry Show at Grand
Forks, North Dakota, have been award-
ed some of the major honors. V. R.
Hallman of Brooks winning 1st and
3rd for Bronze turkeys.

1942 Wheat Price of \$1.22 1/4
Urged by Line Elevators

Line Elevator companies have for-
warded a submission to the Dominion
government advocating that the initial
payment of the Canadian Wheat
Board on the 1942 wheat crop be
\$1.22 1-8 per bushel basis One North-
ern Fort William or Vancouver. This
price would give the farmer an aver-
age return of \$1.02 1-8 per bushel bas-
is One Northern at his shipping point.
The Line Elevators urge the advisabil-
ity of building up reserves of wheat
for war and post war requirements of
500,000,000 bushels, and submit statis-
tics supporting a suggestion that the
Government accept delivery of 350,
000,000 bushels of the 1942 wheat
crop from farmers at the price sug-
gested.

The Line Elevators state that ade-
quate reserves of wheat are equally
as essential as are munitions of war
and adds that "the Government should
be prepared to pay the farmer a rea-
sonable price for producing wheat
just as it pays necessary prices for
the manufacture of munitions.

CHEADLE

by L. McL.

Clifford Torgimson has returned
home from a few weeks visit to the
west coast.

Donald Miner, a former resident of
Cheadle has joined the R.C.A.F. and
is now at the Manning Depot in Ed-
monton.

Harry Kirtson is also at Edmonton
taking his Elementary flying.
Mrs Vernon Miner has returned
home with her new baby daughter
Maureen Carol.

Raymond Torgimson and Pte. G.
Keer were guests of honor at a stag
party at the home of Mr and Mrs S.
Torgimson. They were each present-
ed with a set of military brushes
from the community. Pte. Keer ex-
pects to be posted in the near future,
while Raymond will soon be in the R.
C. A. F.

This could go on but it might tire
you.

We want to retire but we can't re-
tire because there are not any tires to
retire with. Soon the Japs will retire
then we will be able to retire whenever
we wish.

BERTA VALE-ARDENODE W.I.

A meeting was held at the home of Mrs Leonard Hilton on Thursday, January 8th for the purpose of forming a Women's Institute in the Berta Vale and Ardenode districts. The Constituency Convenor for District No. 4 Mrs George Thurston, Sr. was present. Mrs Leonard Hilton was elected temporary chairman and a secretary was appointed and instructed to write to

Mrs W. McFarlane, Red Deer, for an organization form, etc. It was decided to leave the election of officers until the next meeting, when it was hoped more ladies would be present.

Mrs Clifford Way entertained the ladies of the Berta Vale-Serviceberry Women's Institute on Thursday, January 15th, with Mrs Leonard Hilton again acting as temporary chairman.

The result of the election of officers was as follows.

President— Mrs Morton.
1st Vice Pres.— Mrs Jim Godfrey.
2nd Vice Pres.— Mrs D. Brook.
Treasurer— Mrs Leonard Hilton.
Secretary— Mrs Thomas Taylor.
Directors— Mrs C. Way, Mrs W. Plath, Mrs H. Backs.
Miss Helen Way was elected local reporter for the Berta Vale district, and Mrs Jim Godfrey for the Ardenode district. At each meeting they

will report the new to the secretary, who in turn, will send it to the Strathmore Standard.

It was moved and passed by the ladies, that we serve only sandwiches and one other thing at our lunches, and a \$1.00 fine to be imposed on any lady violating this law.

The next meeting will be held at the home of Mrs A. Morton on Thursday, January 29th. The Roll Call will be "Suggestions for our 1942 Program. At this meeting an interesting feature will be a paper read by Mr. E. Way, which was written and delivered by her at an Institute meeting nearly twenty years ago.

We extend a hearty welcome to any ladies residing in Berta Vale or Ardenode districts, who wish to become members, and invite them to attend the next meeting.

A tasty lunch was served at the close of the meeting by Mrs C. Way and Miss Helen Way.

The ladies whose names were signed the organization form will be charter members of the Berta Vale-Serviceberry Women's Institute.

They are as follows— Mrs A. Morton, Mrs C. E. Way, Mrs G. H. Godfrey, Mrs Ellen Way, Mrs T. Owen, Mrs W. Plath, Mrs T. A. Taylor, Mrs D. Brook, Mrs H. Backs, Mrs L. Hilton, Miss Helen Way.

Ever thought of it? The night falls but it doesn't break, and day breaks but it never falls.

ST. MICHAEL'S

(Continued from Page One)

Women's Auxiliary, the Altar Guild, the Secretary Treasurer, the Envelope Secretary, the organist, the supper committee, the Sunday School staff, the Junior Choir and Mrs Pearson for her work with them, the janitor, H. Harmer, and to Mr Pearson for his unbounded efforts in carrying on the work of the church, and for his efforts in conducting services at the outer district points.

Following a request from Mr. Pearson for a motion to adjourn, the younger generation showed greatest enthusiasm of the evening, as one lad of eleven rose before Mr. Pearson was through with the needed motion, and was immediately followed, amid very hearty and enthusiastic laughter, by a seconder, another lad of about his own age.

Piano numbers by Miss Violet Hyde and Community singing led by Mr Patrick were pleasing interludes.

Salvage Committee Requests

Bottles of all kinds, and corks. Tins, only jam tins with lids. Magazines, dry, if mildewed or musty, are not wanted. Rubber, bones, in any quantity.

The cork shortage will soon be felt by Canadian housewives who are advised by the department of munitions and supply not to throw away old bottle corks and to take good care of equipment made of the material. Cork, normally used in the manufacture of linoleum, mats, penholders, bottle tops and in sundry other ways, will now have to go to war industries where it is necessary among other things for the production of gas masks and gaskets on war vehicles.

RAGS
PAPER
FATS AND BONES

ALL war industries need rags... handfuls of rags... pounds of rags... tons of rags. And you can help supply them.

Without rag wipers to clean the cutting lubricant from planes, millers, drills, lathes, Canadian war workers would be inefficient, their output reduced, their efforts hampered.

Without rags, explosive plants would slow up, aeroplane factories would find their production cut, and wheels of shell factories would dawdle.

Start an old-fashioned rag bag in your house today. All kinds of old, worn-out, too small and otherwise useless garments are badly needed by war industries—everything from cotton underwear to old shirts and ties—from Grandpa's red flannels to Grandson's seersucker corduroy pants.

These are real sinews of war which you can supply. Every rag in your home should go to war industries through your Salvage Committee. Clean out and clean up on Hitter!

Local News Items

Word was received by Mr and Mrs McGregor, Monday morning that their daughter (Jean) Mrs Calvin Bowen, had undergone successfully an operation for appendicitis in New Westminster Saturday last. We all wish Jean a complete and speedy recovery. Mr Bowen has been called to the army and may have to undergo training in the near future.

Mrs Art Polley left Friday for Brandon to join her husband.

Mr and Mrs Wm. Haddon entertained at a very happy Family Dinner Sunday when a few other guests were also included.

Mr and Mrs McGregor entertained the United Church Choir after their practice Tuesday evening.

Thursday night the Lions Club is celebrating their Charter Anniversary when an especially interesting program is being arranged.

Mr and Mrs J. Riddoch had as their guests during the early part of the week the latter's sister and her husband, Mr and Mrs J. Redmond of Calgary.

On Sunday, January 18th Mr and Mrs C. W. Chase celebrated their 49th wedding anniversary and 35 years of the 49 have been spent in Strathmore. The Standard extends warm congratulations to Mr and Mrs Chase, who have been active and helpful citizens in Strathmore for this many years.

W. C. Tucker suffered a bruised and turned ankle while putting down a well for Edward VerWeire. The casing wrench slipped, knocking Mr Tucker over, which threw the ankle of out joint. It will take about three weeks to fully recover.

1942 Wheat Board Advance of \$1 22½ Proposed by Line Elevators

Your Local Line Elevators Association has made a submission to Ottawa on behalf of Line Elevator Companies urging that the Government formulate a wheat policy for 1942 providing:

(a) An initial payment for farmers delivering their 1942 wheat crop to the Canadian Wheat Board of \$1.22½ per bushel basis One Northern delivered Fort William or Vancouver.

(b) That the Government accept delivery of 350,000,000 bushels of the 1942 wheat crop on this price basis.

(c) That deliveries and sales of the 1942 wheat crop be segregated from the carry-over of past years and the carry-over be reserved to meet post-war and unforeseen war requirements.

A copy of the Line Elevators submission to Ottawa may be obtained from any Line Elevator Agent or by writing to

Marriage Announcement

Mr and Mrs Jas. Cormack announce the marriage of their second daughter Margaret, to Mr Carl Sorensen of Strathmore. The wedding took place in the Central United Church, Calgary December 17th, 1940. Rev. E. Melville Aitken officiated.

Word has been received in Strathmore of the death of Mrs W. C. Tucker, formerly of Strathmore, in New Westminster, Tuesday, January 20, at the age of 59 years.

Mrs A. Fraser was in Town Wednesday settling up matters in connection with the sale of her Tinshop.

Mr Crowther expects to be able to return home Saturday, after an illness of three weeks in the Holy Cross Hospital.

Sorry to hear Ken Sarsons is laid up with the mumps.

ROCKYFORD

— By K. M. G. —

The mild weather has delayed the curling for some time but the games were resumed the latter part of the week. This week one rink has gone to Calgary to take part in the Bonspiel there. This rink is shipped by Simon Roppel and has as its players, Roppel, Stone, Williams and Griffiths.

Mrs Harry Dunsmore has her daughter, Mrs Orbs and small daughter from Portland, Oregon, visiting with her for a short time.

Mrs L. Howick and her companion Miss Hall returned from Vancouver on Friday after spending the holiday season with friends.

Everyone is looking forward with anticipation to the big Burns' Night Dance to be held in Rockyford on Friday, January 23rd. The members of the Rockyford Eastern Star Chapter are sponsoring the event and have arranged for good music and good eats with many of the other interesting features which go to make up a real night to suitably celebrate the name of the honored Scottish Bard.

CARSELAND

by R. C.

Red Cross Annual Meeting—

The annual meeting of the Carceland Branch of the Red Cross was held on Tuesday, January 13th at the School with a good attendance.

The report of the Secretary-Treasurer Mrs. Mutch showed that a total of \$537.46 had been raised during the year 1941. There is a balance on hand of 40.75 to begin the new year, and a credit balance at headquarters of \$40.73.

A total of 961 articles were shipped to headquarters at Calgary during the year.

The following officers were elected for 1942.

President— Mr Wm. Slater.
Vice-Presidents— Messrs C. Petersen, A. O. Stern, N. J. Mutch, and J. Christensen.

Secretary-Treasurer— Mrs N. J. Mutch, (re-elected).
Meetings are held the second Tuesday n each month at 8 p.m. in the school.

Miss Marion Jamieson was the recipient of a large number of useful gifts at a shower held at the home of Mrs Gale Field on Wednesday last, January 14th.

NIGHTINGALE

By M. H.

The young people of Valley Garden School held a whist drive and dance at the school last Friday. Mrs Hendrick and Emerald Slonaker won first prize while Myrtle Stoodley and Bill Meyers were awarded consolations. Music supplied by Valley Garden's orchestra.

Bert Griffith who recently returned from England called on old friends during the week end.

Mrs C. C. Slonaker spent some time visiting with her daughter at Blue Spring School.

At the annual meeting of the Hall Members last Friday, Mr Art Kimmitt was elected president and Albert Gillings a new director. Other officers were left same as last year. Some improvements on the hall are planned. The entertainment committee are holding a dance on January 30. Keep the date in mind and boost for the hall.

Julius Ludwig had a slight car accident while en route to Calgary. The car lights failed and he caused considerable damage to his car by hitting several posts connected by cable. No one was hurt.

Last Tuesday a very pleasant afternoon was spent at the home of Mr and Mrs Frederick. The occasion was a shower for Mrs Art Farr (nee Wilda Frederick). The guests came early and proceeded at once to build a scrap book for the bride. Magazines were passed around and each visitor was requested to cut pictures representing the future of the newlyweds. Mrs Walter Mercer and Mrs Rudd assembled the pictures and pasted them in the book under suitable headings. Each visitor signed the guest book and Mrs Farr has a fine keepsake. A delicious tea was served and immediately after a large basket of gifts was delivered, unwrapped and duly admired. Mrs Farr thanked her friends in a very pleasing manner and the crowd responded by singing "For She's a Jolly Good Fellow." Mrs Brown, Mrs Rudd and Mrs Walter Mercer assisted Mrs Frederick in entertaining. Mr and Mrs Farr will be at home to their friends at Nightingale.

Morning service will be held at Nightingale at 11 a.m. Sunday, January 25th, weather permitting.

Annual Report of P. B. Club—

The Annual Meeting of the Carceland P. B. Club was held at home of Mrs R. A. Bishop on January 17, at which election of officers took place. Mrs R. A. Bishop was re-elected President; Mrs Lea, Vice-President, and Mrs Crowe, Treasurer. Mrs C. L. Gilbert was elected Secretary. Several new members were welcomed into the Club.

The Club reports having made 3 quilts and making up 200 yards of flannelette, for the Refugees during the year.

A very successful dance was held in Carceland Hall on November 14 which showed a profit of \$68.38.

During the past year the Club has invested in \$25 worth of War Savings Certificates.

Boxes were packed and sent every three months to the boys in the Armed Forces Overseas, which makes a total of 14 boxes for the year.

The Club took the opportunity at Christmas to bring a bit of extra cheer into homes of the Old Timers of the Community by presenting each with a small token of remembrance.

The Club Treasury shows a balance of \$89 at the closing of the year 1941.

WARTIME WAGE CONTROL INSTRUCTIONS

The National War Labour Board has issued instructions to Canadian employers and employees in regard to the Wartime Wages and Cost of Living Bonus Order (P.C. 8253).

As detailed in the advertisement appearing elsewhere in this issue, these instructions define what are national industries falling within the scope of the National War Labour Board at Ottawa, and those that come within the jurisdiction of provincial, or Regional War Labour Boards.

Regional employers are considered those in which the operations of the industry or business is definitely within provincial or municipal boundaries. In this category fall most war production plants, all sections of retail and wholesale trade, and services, etc.

Employers and employees in the Regional category should address themselves to the Regional War Labour Board in care of their respective provincial governments.

Interpretative Rulings on the Order have been issued in bulletin form, and these may be obtained on application to any Regional War Labour Board.
